

## Antarès 12

Non-contractual document

Antarès 12 Fly Sport

Antarès 12 Fly Cruising

### Profile: cruising and occasional fishing/sporty

- The archetype of the new Antarès design from P. Sarrazin
- First model to offer optimum comfort for 4 persons: 2 cabins with double berths + 2 head compartments: complete independence
- First model available in shaft drive or IPS version

### Key features:

- Bénéteau Powerboats hull/ P.Sarrazin design
- 2 flybridge versions available (sport fishing and cruising)
- Increased performance: 30 knots maximum with shaft drive
- IPS 500 propulsion + IPS joystick: revolutionary easy manoeuvring
- Very fast evolutionary planing hull, very stable (deep V forward + flared bow - semi-nozzled tunnel)
- Great range: 1200 litre fuel capacity
- Sociable layout with large saloon + forward galley
- Large glazed areas, all-round panoramic view

### Developments for 2008:

- New Volvo D4 300HP engine replacing D6 310HP: similar performance, more economical (price and fuel consumption)
- Clear glass windscreen - grey-tinted PMMA side and aft windows
- Grey-tinted hatches and ports
- New steering wheels at both helm positions
